

## BUYER SITE TOUR

### ***Portland: Craft, Culture and Cruise***

The Go West Summit Destination Day lets you experience this ever-evolving city with tastes of Portland's maker scene, a deep dive into local cultural icons and sightseeing from the waters of the Willamette River, which has shaped this place since its beginning.

Dig into third wave coffee and unexpected doughnuts, all by Portland makers who aim to create the best of each in the city. Then visit Portland Japanese Garden, said to be the most authentic of its kind outside of Japan. The garden (which was expanded in 2017 with designs by renowned Japanese architect Kengo Kuma) was born from a belief in the power of cultural exchange and a belief in the excellence of craft.

Hop aboard the Portland Spirit cruise, where unparalleled views from the Willamette River of the city and its famous bridges are paired with fresh Pacific Northwest cuisine. Finally, experience authentic Portland at Powell's City of Books, the largest independent new and used bookstore in the world. Taking up an entire city block of the Pearl District, Powell's is one of Portland's most beloved and important cultural icons and is an essential stop on any savvy visitor's to-do list.

*Note: Buyers who are registered for the Portland Site Tour will use their complimentary MAX and streetcar pass for transport to the DoubleTree Hotel by Hilton. All attendees should plan to arrive by 8:00am for coffee and donuts before the tour departs. The Portland Site Tour ends at Powell's City of Books at 2:30pm. At this time, transportation will be provided back to the DoubleTree Hotel only. Due to Portland's abundance of hotel product, Travel Portland is unable to fairly select hotels to showcase. We encourage you to spend the remainder of the afternoon visiting hotel properties you are interested in. Walk or use your complimentary MAX and streetcar pass to visit these hotels.*
